

**Concordia Lutheran Mission Society
1997-2007**

CLMS is the youngest of three Lutheran Church Canada Auxiliaries, LWM-Canada and the International Lutheran Laymen's League being its older and much larger siblings.

This year marks the tenth anniversary since its founding. In that short span, its efforts have been blessed by God even beyond the most optimistic expectations of its founding members. However the focus of this anniversary observance is not to celebrate the accomplishments of an organization but to acknowledge with thanksgiving to God the generous support from the members of our Lutheran Church Canada congregations. Whether these gifts from individuals like yourself were a few dollars or several thousand dollars, they made it possible to provide essential resources and services in support of our Synod's mission programs as well as struggling partner churches. Thanks to you, projects have been funded in such places as Ukraine, Nicaragua, Thailand, Australia, South Africa, Bolivia, Nigeria as well as in Canada.

While CLMS very much encourages your continued support beyond the tithes and offerings you bring to your home congregation as part of your worship response, CLMS is not in the business of raising funds. Our primary task is to develop and facilitate Partnerships in Mission as our Logo states.

Keenly aware of our members' desire to be personally involved in Christ's mission, CLMS seeks to facilitate this desire by linking it to specific mission endeavours undertaken by our synod or those that the synod would like to undertake but is unable for financial or other reasons. CLMS frequently facilitates the transfer of funds for donor initiate projects.

Thank you and God bless you for your generous mission support!
