

## **Prayer for Ministry among Orphans in Ukraine**

O Lord we know that it is a sad tragedy for a child not to have its own parents. We also know that there are some 30,000 orphans in Ukraine. We thank you for the leadership of missionary Alexey Navrotskiy, and the willingness of some 20 Alpha and Omega youth to serve with him in bringing knowledge and joy to a number to these orphans.

We pray that you continue to bless the ministry of these servants and give them protection as they travel 150 km to visit 120 mentally retarded orphans in a special school and also tell them about the love of Jesus who came to be their Savior. Bless their ministry when they visit 30 children not far from the special school, to teach Bible stories and to sing to these children.

Lord give wisdom and strength when Alexey and his group of young people visit some 47 orphans in the city of Dnepropetrovsk, also to share the truths of Scripture with them. And also share with them the gift of music with them.

Lord we thank you for the generosity of Holy Cross congregation which provided the funds to buy fruit, soap, shampoo, and Christmas gifts for some 300 children in orphanages.

In Jesus name we pray. Amen
