

### **Prayer for Church Workers in Nicaragua**

Gracious God and Lord, we give You thanks for individuals who willingly give of their time and meager livelihood to provide formal education as well as thorough teaching Lutheran doctrine to families in parts of Nicaragua. Move us, who take the right to learn in modern facilities with adequate supplies, very much for granted, to generously support the dedicated efforts of deaconesses, teachers and pastors in Central America. Richly bless the work of Christian workers there. In the face of many limitations and challenges, provide for their needs, may their courage and resolve not fail. Let Your Word bring forth the increase You so graciously have promised, through Jesus Christ, Your Son, our Lord. Amen.
